The new voice actress for the part of Excel ( who would probably be good as another part) failed to properly fill her predecessors shoes. It seems that a few of the Key voice actors changed. ( these changes of course are only minor since most would rather listen to the original dubbing.) But the humor is also becoming soggy.

With volume 5, Excel is back on track. Volume 4 was a bit disappointing, and the constant references to pedophilia were more creepy than funny. But, with "Secrets & Lies", the Excel Saga is back with the whacked-out parodies and incredibly unconventional humor. Here are a few great moments: \* A Power Rangers parody that is actually funny!
