Exploring Social Psychology - David Myers

By introducing social psychology in an essay format and by writing in a voice that is both solidly scientific and warmly human, Exploring Social Psychology is able to reveal social psychology as an investigative reporter might, by providing a current summary of important social phenomena, by showing how social psychologists uncover and explain such phenomena, and by reflecting on their human significance. The new edition

David Myers (psychologist) - Wikipedia

As my chapter-by-chapter storage cubbies begin fattening with new material, my eagerness for the next edition grows. By the time the new edition is ready to come out, I grimace when reminded of people using the old edition, which once seemed so perfect! This eighth edition of Exploring Psychology is no exception.
