Delightful beginning reader that is also a delight as a bedtime, good night book. It centers around the efforts of a knight to help three little dragons get to sleep with the usual glasses of water, bedtime stories and a lullaby. Repetition in words, actions and illustrations both facilitate its function as an early reader and as a sleep inducer.

In this final bedtime story, the unicorn stallion from Shining Armor's original story travels through the Everfree Forest and meets the seven little dragons from Cadance's original story. The dragons tell the unicorn that their friend, a beautiful Alicorn princess, has been abducted by an evil giant to make her sing for him.

Gold dragons are able to assume any form they would like by polymorphing themselves with little issue and no harm. They do, however, eat jewels and pearls for nourishment, so if you catch somebody at the local jewelry store munching down on some gems as if they were popcorn, you may have found yourself a gold dragon.
