The Aim of a Strong Introduction. Along with excellent organization, your introduction lets the visitor know that what you've written is of interest. For what reasons would someone come to read your post? Craft an intro that shows them they've come to the right place. Here are a few tactics and introduction examples to help you accomplish that.

Here's How to Write an Introduction (Examples and Tips ...

Introduction to Reason This free course by Steve Joyce, has two general objectives in mind. The first is getting your own thinking in order, working toward making it clear, complete, compelling, and free of errors. The second is analyzing the reasoning of others, examining it for bogus or inconsistent claims and incoherent structure.
