identity, history, and memory, Nation-Building, Propaganda, and Literature in Francophone Africa elaborates a broader understanding of the circumstances of African colonization, modern African nation-state formation, and the complex cultural dynamics at work in Africa since independence.

Amazon.com: Nation-Building, Propaganda, and Literature in ...

Nation-Building, Propaganda, and Literature in Francophone Africa attempts to redress this imbalance by exploring a complex African reality and consideration of culture and politics. This book offers scholars and students of African literature, comparative literature, and francophone studies a framework with which to think about the political and ideological consequences of structuring literary works according to the political persuasions of state apparatuses.

Nation-Building, Propaganda, and Literature in Francophone ...

Terminology: nation-building versus state-building. Traditionally, there has been some confusion between the use of the term nation-building and that of state-building (the terms are sometimes used interchangeably in North America). Both have fairly narrow and different definitions in political science, the former referring to national identity ...
