A personal blog humanizes your product. If your blog manages to touch people in some way, there is a better chance that they will support you. Today business is very much about community. People that have similar values will choose you over your competitor if you are clear about your ethos. A personal blog puts this across beautifully.

Outline tangible benefits from your performance. Anyone can write a report filled with a bunch of platitudes and generalities. If you back up what you say with evidence, it's more persuasive. Fill your performance review with facts, figures, and specific dates. For example, let's say your job is to run social media accounts for a company.

Danger #1: Settling Your Iowa Personal Injury Claim for Less Than It's Worth. One of the biggest dangers of settling a personal injury case on your own is negotiating a settlement that is far less than your case is actually worth. It's unlikely you've ever dealt with a personal injury claim before.
