Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

This scary story, a part of the Poison Apple book series, will keep readers going until the very end. There are just enough spooky events to make you wonder what will happen to Casey, what did happen to Millie, and what is wrong with the house. It's a fun and fast read for middle schoolers who like a good ghost story.
