## **Public Pension Crisis: Who Will Cover the \$4 Trillion ...**

The Future of Public Employee Retirement Systems. Olivia S. Mitchell and Gary W. Anderson, Editors. People covered by public pensions are often the subject of 'pension envy:' that is, their benefits might seem more generous and their contributions lower than those offered by the private sector. Yet this book points out that such judgments are often inaccurate, since civil servants hold jobs with few counterparts in private industry, such as firefighters, police, judges, and teachers.
